Year 5 Autumn Term Colour; Printing

Prior Knowledge:

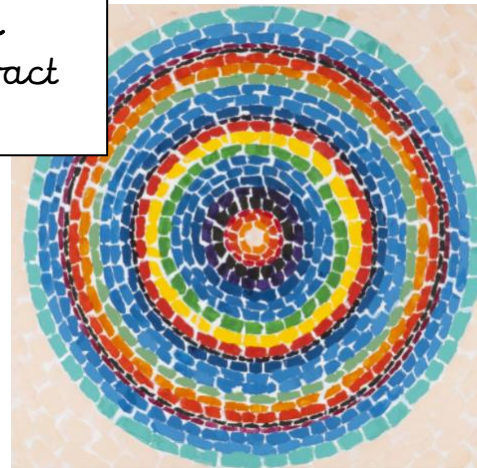

In Year 3 you learnt what a reduction print is and how to apply paint evenly onto a tile using a roller. You used this skill to create a repeated print.

In Year 4, you looked at how light and shade is created with pencil and ink.

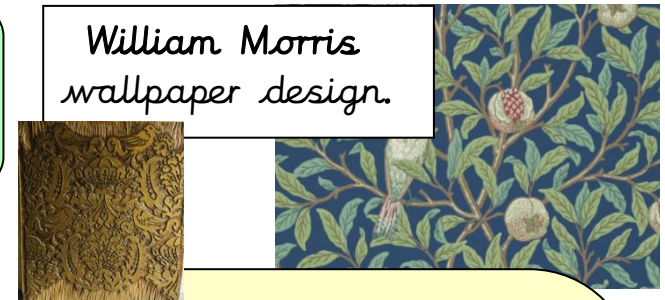

Vocabulary:

Textile, reduction print, relief print, muted colours, vibrant colours, abstract, contrast, repeating patterns

Alma Thomas
geometric abstract
paintings.

William Morris
wallpaper design.

Key Knowledge

Know that artists create work in a range of styles (impressionist,) and their paintings can be still life, landscapes, portraits or abstract.

William Morris designed patterns that were inspired by nature.

His wallpaper was handmade using carved wooden printing blocks. Patterns repeated and overlapped.

He used a range of muted colours.

Wallpaper designs can be categorised e.g. floral, or geometric, and can be textured.
