

Summer Newsletter 6

With only two weeks to go until the end of term, there is still plenty to fit in and still lots going on in school. On Wednesday morning, we had an opportunity for children to visit their new teachers and as I visited all the classrooms, everyone seemed very happy and settled, which was great to see. It was lovely to have Year 2 joining us and I know they are excited to get started in September!

Thank you to those of you who were able to join the Teams meeting where staff shared key information about next year. If you were unable to join, you can find the PowerPoint slides on the school website. Click on the 'parent' tab and then choose 'transition' from the drop down menu.

Earlier this week, results of SATs tests were published and you can see our results in the table below. A huge well done to all of our Year 6 pupils for their achievements and a big thank you to all the staff for their hard work. As I have said before, although SATs are a measure of the progress children have made academically in KS2, there are many other much more important measures. We are so proud of the way our children have grown emotionally and socially, and the kindness and respect they have for one another. We know they are ready for the next step of their educational journey!

A reminder that the Year 6 production is on Tuesday 23rd and Wednesday 24th July. The children have been busy preparing for it and I can promise you it will be a brilliant show!

Health & Sport Weeks

This week has been Year 3 and 4 health and sport week and the children have enjoyed a range of activities. They have loved having Olympic Gymnastics medallist Sam Oldham in today. Next week it is the turn of Year 5 and 6.

Year 5 and 6 sports day is on Monday (15th) at 1.30pm and the re-arranged Year 3 and 4 sports day is on Thursday afternoon (18th) also at 1.30pm.

Hopefully see lots of you there.

HSA Update

You will see that there is an update with this newsletter about the incredible amount of money raised this year. A reminder that if you are interested in leading or helping the HSA next year, Claire Hughes would love to hear from you. Please e-mail her at the following address:
