

Community Explorers

Over the summer holidays, we would like the children to start exploring the community.

Art

We would like the children to take a photograph of a famous landmark in West Bridgford/Nottingham. For example: Trent Bridge, County Hall, Wollaton Hall.

History

Find out some facts about the history of your landmark. For example: When was it built? Who built it? You could make a fact file.

English

Write a description of your landmark. What does it look like? Can you use exciting adjectives? Don't forget capital letters and full stops. We look forward to seeing your neatest handwriting too!

Maths

Find three facts with figures that relate to your landmark. For example: its height, its capacity.

Geography

Can you locate your landmark on a map?

Summer Reading Challenge

The summer reading challenge is on! Story Garden will inspire you to tap into a world of imagination, exploring the magical connection between storytelling and nature.

Set yourself a reading goal and collect rewards for reading anything you enjoy.

Sign up at the library or online, and it's FREE to take part.
