

River Deep, Mountain High - Year 4 Holiday Homework

Here are some home learning challenges for you to consider over the summer. It's entirely up to you as to which you'd prefer, but feel free to do as many as you wish. If you have your own ideas, then that's fine, too. You will have the opportunity to share your work on Friday 4th September.

A to Z Task	Geography Task	Writing Task	Research Task
Create an A to Z list of key words to do with rivers and mountains. You could write a sentence about the key word, or you could draw a picture or diagram to show what the word means.	Find out about a mountain in the UK. Find it on a map and sketch out its location. Can you include a 6-figure grid reference to show where the mountain is?	Imagine you are travelling through the Himalayas. Write a letter or diary entry to tell others about your adventures!	Research one of the famous rivers in the world. Draw a diagram and write an information text all about the river. Include fascinating facts about the river you have chosen.
History Task	Maths Task	Art Task	
Find out about a famous mountain climber. Who were they? What was their name? Write a biography about them and their life and their achievements.	Research 10 different mountains or rivers from around the world. Make a table to include information about them, such as their height, length and location.	Create a piece of art that reminds you of a river. It can be made with pencils, crayons, paints, or even be a collage.	

We look forward to seeing a range of fabulous work on your return. Until then, may we wish you all a wonderful break. Look after yourselves and your families, and make the most of your time.

See you in September

Year 4 team
