

Year 5 Holiday Homework

The Victorian Era: Golden Age or Dark Age?

During the Autumn Term, Year 5 will be learning about life in Victorian Britain (1837-1901).

Over the summer, if any children can find the time to carry out some research on any aspect of this fascinating period, we would love to share this in September.

They can base their homework on anything they choose, but here are some ideas:

- *Queen Victoria*
- *an invention/ inventor*
- *transport*
- *architecture*
- *a significant change*
- *an event*
- *a piece of artwork/artist*

You could present this in lots of different ways:

- *Slideshow*
- *Leaflet*
- *Poster*
- *Drawings*
- *A speech*
- *A film*
- *A podcast*
