

# BREAKING: WBJS DECLARES SUMMER HOMEWORK!

## WBJS DECLARES SUMMER HOMEWORK!

In preparation for the next term, we would like our new Year 6 students to research and present information relevant to World War Two.

Students have freedom to choose how they present their research; however, we do ask that they showcase their creativity. They may choose to produce a poster, leaflet or booklet. Alternatively, they may think of something altogether different, so long as it demonstrates their new understanding.

We only ask that they do not produce a PowerPoint.

TOPICS THAT  
STUDENT COULD  
FOCUS ON  
INCLUDE:

- Evacuation
- The Blitz
- Propaganda
- Women at war
- Rationing
- War personalities:  
(Churchill,  
Hitler,  
DeGaulle)
- Or anything else  
that sparks your  
interest.
